

5t Kubota excavator hire U48-4 digger

£POA

Deceptively powerful and comfortable 5t excavators on rubber tracks. The U48-4 is a very compact zero tail swing 5t mini excavator. The hydraulic offset of the boom allows working directly adjacent to structures. An extremely responsive, fast and productive midi excavator. Excavator can be hired with driver if required. Contact us on 0161 797 9686 for a digger hire price. Mini diggers hired in Bolton, Bury, burnley,Rochdale, Oldham,accrington,Manchester and lancashire.
