

BURY

PLANT HIRE

1.5t Kubota small digger for hire KX36-3 1.5 tonne digger

£POA

A compact and versatile 1.5t mini excavator. With powerful digging force, deep dig depth, and a comfortable cab, this is a useful excavator for landscaping, leveling and civil engineering applications. Mini Diggers are the ideal machines for smaller building and gardening projects. Due to its small size, a mini digger is very flexible and easy to operate. The digger can be hired with a small dumper to make your job very easy.

Excavator can be hired with driver if required. Contact us on 0161 797 9686 for a mini digger hire price. Mini diggers hired in Bolton, Bury, Burnley, Rochdale, Oldham, Manchester and
