

### PROBST quick draw

**£147.00**

A clever paver-marking tool for concrete and paving stones.

- \* No problems with the marking of distances of kerbstones, walls, etc. for later stone cutting.
- \* 400-600% time saving with marking works.
- \* Especially effective with soldier course.
- \* Tough construction made of aluminium and stainless steel.
- \* Roller guide, for quick accurate marking.
